

C.S. Willson Double Horn Mod. Geyer

This is the ideal horn for solo playing and for orchestral or chamber-music horn players. The Bb and F horns feature an excellent tonal balance in all registers. The perfect intonation and the precise response are the result of our intensive research efforts in the field of tubing diameters and design.

The horn is equipped with a ROTAX valve set.

Specifications:

- Pitch: F / Bb
full double horn
OPTION: A/E valve
- Bore: 11,80mm / 0.464"
- ROTAX - rotors
- Rotohead system
